Experience

OCT 2023-NOW CUBE

Business Analyst

In my role as a Business Analyst at CUBE, an IT consulting firm specializing in AI-powered solutions, I analyze business processes and data to deliver actionable insights that drive strategic decisions and optimize performance. I work closely with stakeholders to identify business needs, develop data-driven strategies, and evaluate the effectiveness of implemented solutions.

Achievements/Certifications

JULY 2023 Certification in International Trade and Business Development

Completed a certification in International Trade and Business Development, acquiring expertise in global trade policies, export-import procedures, economic trends, and strategic market entry.

MAY 2023 Certification in Marketing Analytics

Completed a certification in Marketing Analytics, focusing on consumer behavior, market segmentation, and data-driven marketing strategies.

DEC 2022 DevTown's Bootcamp

Winner

Awarded winner in DevTown's Bootcamp series for creating an Instagram clone using HTML and CSS, demonstrating problem-solving skills, technical proficiency, and effective project management.

Extra Curricular Activities

FEB 2024 Core Team Member

NITRUTSAV '24

As a core team member for the NITRUTSAV '24 cultural fest at NIT Rourkela, I led project planning and coordination efforts. My role involved strategizing event logistics, managing cross-functional teams, and ensuring smooth execution of cultural activities, which honed my skills in project management and stakeholder communication.

JUNE 2024 Exit Insights: Analyzing Employee Resignation Trends

[LINK]

Analyzed employee exit surveys from DETE and TAFE to understand resignation trends. Cleaned and combined datasets to explore factors like job dissatisfaction, tenure, and age, leading to actionable insights on employee departure patterns.

NOV 2022 GDP and Life Expectancy

[LINK]

Analyzed global life expectancy and GDP data from 1950 to 2007. Created visualizations to explore how economic factors influence life expectancy across different continents.
